

Vice President of Finance

Florida College seeks a Vice President of Finance to lead all aspects of the financial accounting, budgeting, processing, and financial strategic planning of the college, including oversight of K-12 schools run by the college. Reporting to the president, the VP of Finance is a member of the Senior Leadership Team and the Executive Council, collaboratively leading the current financial operations and future financial planning of the college, including investment and growth strategies for the security and capital assets of the college. The VP of Finance oversees a team of accountants responsible for the account receivables and payables of the institution, including monthly settlement of funds and regular reporting of income statements and balance sheets. The VP of Finance facilitates partnership with an external audit firm, assuring timely and healthy results. The VP of Finance also leads timely and accurate financial reporting to internal departments and to external governmental and accrediting agencies in accord with required best practices for institutional accountability.

In addition to quality assurance of all financial activity of the college, a key role of the VP of Finance at Florida College is strategic budgeting across the organization, identifying needed and innovative avenues for increased revenue, efficiency, and educational effectiveness in keeping with the college's mission. The VP of Finance will stay abreast of current and potential developments in the education marketplace by proactively collaborating across the different divisions of the college, as well as the broader landscape of financial management in K-12 and higher education. The VP of Finance will actively and broadly converse with financial leaders at other educational institutions and participate in the most relevant professional associations, regularly sharing with leadership and staff at Florida College the insights gained from these broader conversations, while maintaining commitment to Florida College's mission and core values.

The VP of Finance will support the mission of the college by being focused on supporting and continually improving the college's financial conditions through clarity and timeliness in accounting and budgeting and ongoing enhancement of financial processes and outcomes. This will be done to improve continually the quality of the educational experience of our students, including their spiritual development and career preparedness.

This is a full-time senior staff position. The position is eligible for full benefits, including health, matching 401K, and 100% tuition benefits for dependents enrolled at the college or the K-12 Academy.

Required Qualifications:

- CPA and years of experience in financial leadership of an organization.
- Demonstrated commitment to the mission and values of Florida College.
- Fluency with standard enterprise technologies for financial accounting and planning.

Preferred Qualifications:

- Master's degree in accounting or related area
- Experience as a Financial Officer
- Experience in K-12 or Higher Education

Candidates should submit a Letter of Interest, Resume/CV, and 2 references to Matthew Dickey DickeyM@floridacollege.edu, Director of Human Resources. **Applications submitted by March 27, 2026 are assured of full consideration.**
